

## New Mills Allotment & Gardening Society

The society manages the allotment site off Ollersett Avenue, is developing a new site in Hague Bar and maintains a waiting list for available plots on either site. Allotment plots will be offered fairly, when they become available.

The society also participates in the National Society of Allotment and Leisure Gardeners' seed scheme to enable members to buy seeds more cheaply than from a garden centre or seed supplier.

The society is committed to raising awareness of the benefits of growing and eating fresh vegetables.

Membership of the society is open to any local resident who is interested in gardening, even if they do not wish to rent an allotment when they become available.

Benefits of membership include the opportunity  
to network with other gardeners  
to participate in the seed purchasing scheme  
to promote gardening as a healthy living activity  
to rent an allotment on the new site.

The rules of the society are on this website ( [www.newmillsallotments.org.uk](http://www.newmillsallotments.org.uk) ).

To join, please post a cheque/PO for £5 made out to **New Mills Allotment and Gardening Society** with the tear off form below. **If you do not receive a reply to acknowledge your membership within 30 days, please contact the secretary to confirm that your membership subscription has been received.**

(In addition to this annual membership subscription, annual rental of an allotment plot of around 100 square metres is £25 for 2010. This is due when a plot has been allocated and a tenancy agreement has been signed.)

Please post to the secretary of the society:
